INSTITUTO TECNOLÓGICO DE LA ENERGÍA

✓ The Instituto Tecnológico de la Energía– ITE - is a private, non-profit-making association whose services, products and technological projects are addressed to national and international public bodies and companies in the **energy, electric, electronic and communications sectors.**

ITE

INSTITUTO TECNOLÓGICO DE LA ENERGÍA®

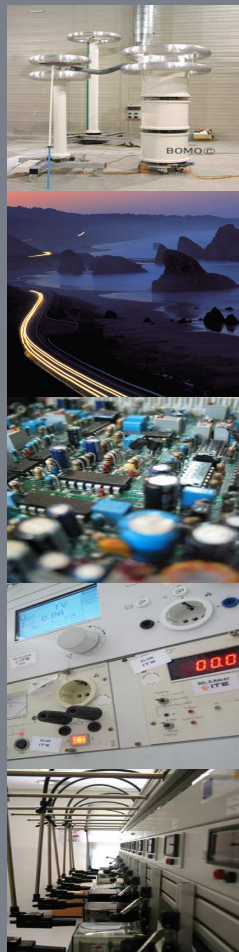

STRUCTURE

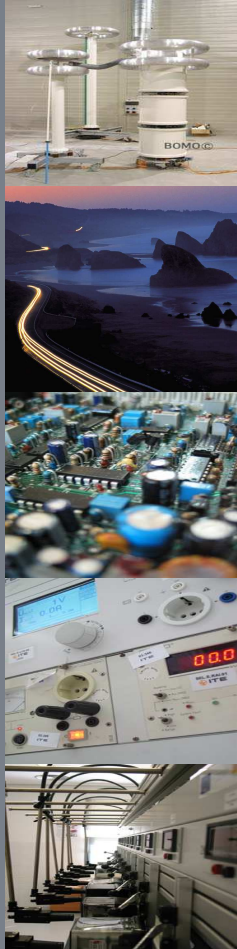

LABORATORIES:

- ✓ High Voltage
- ✓ Electric Arc
- ✓ Electrical safety
- ✓ Electromagnetic compatibility
- ✓ Calibration and Legal Metrology
- ✓ Photovoltaic Laboratory
- ✓ Electrostatics Laboratory
- ✓ Quality of Supply
- ✓ Environment and Quality
- ✓ Measurement of Electromagnetic Fields
- ✓ Applied Chemical
- ✓ Interoperability Laboratory

STRUCTURE

STRUCTURE

R+D+i

- Energy Infraestructure
- Energy Efficiency
- Capital Goods and Automation
- Materials and High Voltage
- Applied Chemistry
